

Safety Data Sheet

Richwil Crown and Bridge Remover

Part No. 33800

Date of Preparation: May 01, 2015

Section 1: Identification

Product Name: Richwil Crown and Bridge Remover

Description: A water-soluble, pliable resin with properties that aid in the safe, effective removal of crowns, bridges and inlays.

Manufacturer: Almore International Inc. 10950 SW 5th Ave Beaverton OR 97005

Emergency Telephone Number: (503) 643-6633 | Telephone for information: (503) 643-6633

Section 2: Hazard(s) Identification

Contains no hazardous chemicals. Contains a trace of euginal – a clove based additive to improve taste. Removers contain sweetening agents to provide pleasant taste while in the mouth. Use professional judgment when dealing with patients who cannot tolerate minute quantities of sugar.

Note: The powerful adhesive properties of the Remover may cause inadvertent removal of opposing teeth and restorations that are in less than sound condition. Always carefully evaluate the integrity of the opposing tooth and/or restoration.

Section 3: Composition/Information on Ingredients

Proprietary formula that contains traces of euginal as well as sweetening agents.

Section 4: First-Aid Measures

Ingestion: Non-toxic and digestible.

DO NOT use on patients that cannot tolerate minute amounts of sugar.

Section 5: Fire-Fighting Measures
